Major General Percy W. Clarkson  
Commander, JTF-7  
U. S. Pacific Fleet  
c/o Fleet Post Office  
San Francisco, California

Dear General Clarkson:

Dr. Charles L. Dunham, Chief of the Medical Branch of this Division of the Atomic Energy Commission will accompany the special medical team and will be associated with it as AEC medical liaison. In addition to this official relationship, he will, of course, perform such professional duties as may require his participation in connection with the special medical program. Dr. Dunham carries both military and AEC travel authorizations to use as needed in connection with his AEC responsibilities.

Sincerely yours,

John C. Bugher, M.D.  
Director  
Division of Biology and Medicine
